

# Manistee River Currents

From The Banks at Chippewa Landing

## Newsletter #39

What a month! This July we are seeing record levels of rentals...and the month is not even over yet. With the hot weeks that we've had, the water temperature reached an almost balmy 75 degrees. This heat wave brought in so many tubers that we had to buy more tubes. We won't be running out of tubes anytime soon!

We want to thank all the customers that we've seen so far this summer. We've had many exciting new groups, but it's the returning customers that help keep this place around. A prime example is Bob Fast's group. This summer marks the 40<sup>th</sup> year that he has been bringing campers to Chippewa Landing. We would also like to thank the Martinez, Duthler, and Oars and Smores groups. Also, a special thank you goes out to the Nance group for feeding the crew!

Chippewa Landing's campground has always been unique. From family reunions to bachelor parties, groups large and small all love to experience Chippewa Landing. Boy Scouts however, have a special place here. Their combination of enjoying the outdoors and serving their community fits in perfectly with our

philosophy here at Chippewa Landing. A few examples are troop who fixed the stairs leading up to the Top Bluff campsite, troop who spent hours cleaning up Chase Creek, and troop who identified and labeled the trees in the campground. We look forward to seeing these troops and others next year...we have a couple more projects lined up for you!

Camping at Chippewa Landing is always an exciting experience. If, however, rustic camping is not your style, then check out our Oak Grove campground. We have sites ranging from rustic to full hook up. It is conveniently located off 131, close to Fife Lake, the North Country Trail, and hundreds of miles of ORV trails. Bring your RV, your friends, and your smores and make it a great weekend. Don't forget to call ahead for reservations because our campgrounds are filling up fast!

Whether you prefer the rustic camping at Chippewa Landing, the amenities of Oak Grove, or just a day on the river, we can set you up for some up north fun. So come on down and have some fun on the water!
