

Manistee River Currents

From The Banks at Chippewa Landing

Newsletter #43

Summertime in Northern Michigan really is too short. But here at Chippewa Landing, we cram a lot of excitement into those couple of months. With the first weekend in July being on Independence Day, the month started out with a bang! Although, no matter how many campers and canoers we see, July still wouldn't be the same without a visit from some of our regulars. So we would like to thank the Martinez, Borrusch, George, Wright, and Henderix group. We would especially like to thank the Oars and Smores group on their thirty-fifth consecutive year here at Chippewa Landing.

We started out the month of August with Customer Appreciation Day. For those of you that don't know, Customer Appreciation Day occurs on a Saturday and we set the costumers up with a special surprise after they return from their river trip. This year we served every customer with a fresh hotdog topped with ketchup and mustard.

Speaking of August that means fall is right around the corner. As much as we all love summer, fall is just as wonderful with the beautiful scenery of the leaves changing all different colors. If you haven't got the chance to travel the river in the fall, you definitely ought to. Both Chippewa Landing and Oak Grove have plenty of sites and equipment available, but they are dwindling fast so don't forget to reserve a spot!

With the colder weather, the fish have been biting exceptionally well this year. There has been an abundance of Rainbow and Brown Trout caught and we have seen the occasional Pike, Walleye, and Small Mouth Bass. It has been a fisherman's dream!

It's not too late to make unforgettable memories down the great Manistee. Just give us a call to make a reservation and we will have you down the river in no time. We are open seven days a week so week day customers are welcome as well. Chippewa Landing welcomes you and your family and friends to share a truly wonderful experience. We hope to hear from you soon!
